ID-e SmartPlus ID Scanner

Rated **5.00** out of 5 based on 1 customer rating

\$1255.00

Rugged IP67 Handheld Age Verification ID Scanner with massive 5 inch capacitive touch screen, super fast Honeywell 6603 barcode scanner, picture capture, customer relationship management features like tagging (VIP/Banned), email and phone capture, verbal or audible warnings, customer visit counters, USB or WiFi data export, Intuitive color user interface, and on-screen reporting. The IDvisor® Smart PLUS is ideal for bars, night clubs, member clubs or any business checking customer age that requires a mobile ID Checker. It quickly reads, records and calculates age for IDs from all 50 US States, Canada and Military IDs while maintaining a customer relationship management database.
